

Recommendation Letter

For Nikolas Herr

Braunschweig, 22th of December 2020

To whom it may concern

Nikolas Herr is an active member of ESN Braunschweig since summer 2017. The association currently has 25 active members and a network of alumni. Nikolas Herr was Local President (1st Chair) from 07.2019 to 07.2020, after which Nikolas Herr served as Local Representative from 07.2020 to present, making him a member of the Extended Board of the ESN Section.

During his time as President, Nikolas Herr represented the association towards TU Braunschweig and the ESN network on a national and international level. His strong commitment and desire to significantly advance the association was demonstrated by the fact that Nikolas Herr independently established the Buddy Program for the section during his term of office. For this he took over the responsibility as project leader and represented all concerns also towards the International House of the TU Braunschweig. Due to his initiative, determination and ability to motivate other people, the Buddy Program became an integral part of ESN Braunschweig and was already able to connect more than 40 participants in WS 2019/20.

During his presidency, Mr. Nikolas Herr has always kept an eye on further development: independently, he developed the idea of supporting the Board of Directors with elected Extended Board Members and thus contributed significantly to the organization's development.

As Local Representative, Nikolas Herr works closely with me. Ensuring growth within the team is of high importance to him. With his knowledge, ideas and above-average commitment, Nikolas Herr is always available to the Board in an advisory capacity. With his reliability and ability to work in a team, Nikolas Herr is highly valued by our team.

I can highly recommend Nikolas Herr to any future employer. Please do not hesitate to contact me, should you need further information about Nikolas.

Yours sincerely
